And now for the BEST part! Through this app you can see our schedule for the next two weeks, sign up for classes:

- Open your Mindbody Connect app
- Click the heart shaped “Favorites” icon and choose The Studios.
- Click the “Schedule” icon.
- The dates will populate the top of the screen and when you click on the each, the classes for that day will appear below.
- Next to each class there will either be either “book” or “waitlist.”
 - Book: Click “book” and on the next screen again click “book” to verify this class. Once you have done this it will return you to the main class screen and will now show a gray “booked” icon next to the class.
 - Waitlist: This means that the available slots for this class have all been filled, however, you can still sign up on the waitlist and as people cancel it automatically populates the waitlist into the class. Our policy is that if a person cannot make it to the class we ask that they cancel out a minimum of 1 hour prior to the class. So, until an hour before the class watch for a notification that you have been added. The cancelation policy also applies to the waitlist. If you know that you cannot make it, please cancel yourself off of the list. Due to the fluidity of the classes, there is a very good chance that those people on the waitlist will be added into the class so don’t dismiss this option!

We know you wanna be here but if you just can’t make it... You must cancel out of class and do so using the app:

- Open your Mindbody Connect app
- Click the clock shaped “schedule” icon. This will bring up your upcoming schedule of the classes that you have booked at the studios.
- Click on the class you wish to cancel.
- On the bottom of the next screen, there will be a “cancel” icon.
- Click the “cancel” icon.
- It will ask you if you would like to cancel your booking, click “cancel booking.”
